ABOUT NS INTERIORS

LUXURY INSIDE AND OUT

Combining the strengths and experience of Mr. Nasir Ali Khan with background in engineering and business management, as well as our skilled team, NS Interiors offers premium construction, interior design, fit out, renovation and maintenance services across the UAE. An extension of the Trust Infinity Technical Services, we offer a broader scope of services to the same degree of quality that has been known for almost a decade.

We pride ourselves on sourcing the best materials and implementing the most innovative, sustainable and premium quality practices to deliver work that checks every box and more. Whether we're working on a home or an office building, you can rest assured that we're paying attention to every detail to create a high performing space that adds value to your investment and exceeds every expectation.

WHY AND HOW WE DO IT

OUR MISSION AND VISION

We aim to create the most beautiful and sustainable villas, homes, and commercial premises across the UAE that embrace innovation while respecting tradition. Our properties deliver both substance and function, a place that meets your unique needs no matter what they are.

OUR CORE VALUES

Integrity; We respect our clients, which is why we work hard to build a relationship founded on trust with every single one. We keep our clients' best interests at the heart of everything we do.

Innovation and Entrepreneurship; In addition to keeping on top of the latest trends in our industry, we believe in and encourage entrepreneurship.

Sustainability; Our responsibility to the environment is present in every decision we make.

Customer Service; At NS Interiors, our clients are always number one. We bend over backwards to make sure that we're not only delivering you the best quality work, but that the process is as easy and stress-free for you as possible.

Our purpose is to make a meaningful impact on our society and the environment.

OUR STORY

HOW WE BEGAN

While NS INTERIORS was newly formed in 2020, we've existed for so much longer. NS INTERIORS is an extension of Trust Infinity Technical Services. Now with a broader offering, we call on the unique skills of Mr. Nasir Ali Khan as well as our talented team with various experience to deliver exceptional value, high quality construction, interior design and fit-out and maintenance services for everything from luxury villas to showstopping retail premises.

OUR LEADERSHIP - PERFECT SYNERGY

NS INTERIORS is headed up by Mr. Nasir Ali Khan. He excels in the technical side of construction, heading up NS INTERIORS in its former version, a construction company known for its superior quality and in business management in major firms including Oliver Wyman and Deloitte. Ready for a new challenge and to take Trust Infinity Technical Services further than it's ever been, Mr. Nasir Ali Khan joined forces to create NS INTERIORS, offering a broader scope of services with sustainability at the heart of our philosophy. Our team bring a wealth of complementary knowledge and experience that allows us to deliver the very best of everything to every client.

BEYOND THE BRICKS

In addition to building, designing and maintaining beautiful properties, Mr. Nasir Ali Khan is passionate about entrepreneurship, innovation and making a meaningful impact. To that avail, he has recently founded Neon, a business center located in the heart of Business Bay, Dubai, which welcomes ambitious entrepreneurs through its doors with an aim of creating synergies around smart and sustainable solutions of tomorrow, Neon hosts all kinds of events for entrepreneurs and offers a platform for sharing ideas and advice.

OUR SERVICES

WHAT WE DO

At Ns interiors, we have a skilled team with various expertise, allowing us to offer a broad range of services. Depending on your needs, we can be involved at every stage from ideation to execution and can deliver both one-off projects or turnkey solutions. Our three-fold offering includes:

CONSTRUCTION

We can construct anything from residential premises including luxury villas, townhouses and farmhouses to high-end commercial and industrial buildings

INTERIOR DESIGN AND FIT-OUT

We design stunning, functional and sustainable interiors that maximize the usability and enjoyment of any space. We also execute the fit-out of interior spaces, adhering to same premium quality.

RENNOVATION AND MAINTENANCE

We are also on-hand to assist with renovations of any scale and can implement a bespoke maintenance contract to keep your home or commercial premise as good as brand new.

PROFESSIONAL CARPENTRY SERVICES

Our qualified team of carpentry give away the best quality design of furniture and other materials to you. we are specialized in interior and exterior, both carpentry work.

WHY CHOOSE NS INTERIORS

With a team of hardworking individuals that all bring a different set of skills and expertise to the table, NS INTERIORS is ready to bring your vision to life. Our diverse team means we can look at each project from various perspectives, allowing us to create the most effective solutions based on your needs. No matter what we are creating, we focus on adding value to your investment, whether it's a home that provides the best quality of life, an office that promotes productivity or a retail venue that entices customers through its doors.

Our broad skillset and capabilities also mean we can provide a full scope service without needing to call on subcontractors. This maintains our high standards of value, workmanship and customer care at every step of the way.

SMART

We keep one step ahead of the latest trends, technology and innovations. We construct smart buildings and smart homes that are equipped with the latest technology and innovations to future proof your property while maximizing the functionality of your space.

SUSTAINABLE

At the heart of what we do is a dedication to sustainability. We are respectful of the environment and work tirelessly to source materials that are not only kind to our planet but will stand the test of time.

SUPERIOR

Whether we're constructing your project from the ground up, renovating, remodeling or fitting out its interior, everything we do is to the highest possible standards. We pride ourselves on our quality workmanship and carefully sourced, premium materials made accessible to clients at exceptional value.

TAILOR-MADE

We work closely with every client, taking the time to get to know your vision and requirements so that we can deliver something that exceeds your expectations. Our deep understanding of what you are trying to achieve combined with our market knowledge and expertise, enables us to come up with tailored solutions that reflect your unique personality, tastes, requirements and lifestyle, with consideration made to every detail.

SUSTAINABILITY

BUILT FOR LIFE

At NS Interiors we focus on sustainability in every sense of the word. We construct our buildings to the highest standards, creating homes and commercial spaces that are built to last and promote the health and safety both of its contractors and future occupants. Our projects also take into account the sustainability of the planet, which is why we responsibly source natural materials and ensure our environmental impact is kept to a minimum.

"The greatest threat to our planet is the belief that someone else will save it"
